VIGNAIOLI IN MONFERRATO

# DULCIS IN FUNDO

## MALVASIA OF CASORZO D.O.C.

*Malvasia grapes ripen on the sunny hills of seven small villages in the area of Monferrato, where this small, high-quality production finds its cradle in Casorzo. With a light and shiny ruby red color, the light froth in the glass invites you to appreciate its aromatic bouquet apparent in notes of roses, wild strawberries and memories of harvest peach. The wine shows a measured sweetness on the palate, balanced by a soft and fresh taste. Perfect with fruit-based desserts.*
